OBJECTIVE

To work in a friendly, caring environment that has high standards in what they do. I love to learn new things to advance my skill set and enjoy working alone or with others in a team.

PRODUCTION ASSOCIATE, Carousel Bay, LLC., Oakland, Ca. —2020-Present.

My main position is working in the roll master room running machines that mass produce cannabis preroll's, but I float around when needed to help on the flower line or packaging. Im proficient in running Rollmaster 420's, Knockbox and running the flower line machine, flower grinder and all types of packaging, labeling, sorting and quality control of flower.

The company is relocating to Southern California.

PRODUCTION WORKER, VCC Inc., Oakland, Ca. — 2018-2020

Worked in the kitchen and drink room making cannabis infused products and running packaging equipment. Responsible for measuring out ingredients for both departments. Can run kitchen equipment, drink room mixing vats, dispensing machines and packaging equipment.

VETERINARY ASSISTANT, Adobe Pet Hospital, Livermore, Ca.—2015-2018

Administered vaccines, roomed clients, placed catheters, pulled blood, monitored anesthesia, performed dental cleanings, surgical suite set up, monitored animals after surgical procedures, answered phones, checked clients in and out and took care of kenneled animals.

VETERINARY ASSISTANT, Redwood Animal Hospital, Castro Valley, Ca.—
2006-2015

Roomed clients, answered phones, checked clients in and out, handled vet tech appts, ordered medical supplies, took care of kenneled animals, administered vaccines, ran in house lab equipment, made and autoclaved surgical packs, assisted and monitored anesthesia in surgical suite.

NIGHT CREW, Safeway Inc., Orinda and Dublin, Ca.—1994-2006

Responsible for stocking and ordering inventory for store, provided customer service and checked out customers.

EDUCATION

North Tahoe High School graduate 1982

SKILLS

I have great communication and customer service skills, can run lots of different types of machinery, from kitchen, lab, preroll, flowers line, grinding and packaging equipment. I can work at a fast pace by myself or with others.
